All teams selected as follows:

- Best 4, 100 target scores from any CTSAZ registered shoots from the 18<sup>th</sup> September 2026 up to and including the last scheduled Compak Competition on the first weekend of February 2027. (after the Zim Open there are 4 competitions to go)
- For the purpose of selection 200 bird competitions will be deemed to be two 100 target competitions.
- Points are calculated from the percentage of the High Gun score of the event, with the total score for selection being the sum of the highest 5 percentages scored.
- In the case of an event being less than 100 targets, the percentage in relation to the total high gun score will be used.

Where a tie occurs for Team selection, unless otherwise stated the next best result of those tied which is NOT being used for Team selection purposes will be compared and the final placing decided. If a tie still occurs, the 2nd best such result shall be compared and so on until the tie is resolved. In the event that a tied competitor has not completed any other event other than those used for team selection, then the tied competitor that has completed more events will be selected. In the event that tied competitors have completed the same number of events and a tie still occurs after counting all events, then the competitors shall complete a 25 target shoot off for their team place, at a date and venue to be determined by the selection committee. If they are still tied after 25 targets, the winner shall be decided on a sudden death basis
